

## **Project Lead The Way Update 2006 MoACTE Summer Conference**

### **Core Data**

- PLTW approved courses for fiscal year 2007 has been updated (see Attachment 1).

Beginning July 1, 2006 Project Lead The Way (PLTW) programs will be required to submit unduplicated enrollment data on the Perkins Accountability report.

- Attachment 2 should be completed and submitted to the Perkins fiscal agent if in a consortium.
- PLTW enrollees may be reported as a Tech Prep student provided a signed articulation agreement is in place. The agreement must be signed by the student, the secondary institution, and the post secondary institution. Tech Prep by definition is two years of secondary non duplicative sequence of courses followed by two years linked post secondary occupational education.
- PLTW is eligible for Perkins funding (see Attachment 3).
